

# Vivid Lifestyle Choices

At Villa De Anza, we're focused on your wellness. We offer a wide variety of lifestyle choices to meet resident's physical, mental, social and spiritual needs. Our resident-centered care and consistent staffing aims to deliver exceptional senior lifestyle choices:

### Independent Living

Life at our independent living community is vibrant and stimulating. We offer more opportunities to enjoy life by eliminating mundane tasks and providing exemplary services such as gourmet meals, daily housekeeping, laundry service, transportation, fitness, salon and a full calendar of enriching, social activities.

### Assisted Living

We partner with residents and families to customize a care plan that offers the right level of support, engaging programs that fit their interests and needs.

### Short Term & Respite Care

Our respite care is designed for short-term stays in our senior living community. Often times, families are looking for a safe, comfortable transition between hospital and home when recovering from illness or injury.

*We look forward to welcoming you to your new home.*
